

PRODUCT DATASHEET

METAL SLIM PSU, 12V DC, 360W, IP20, 175-264V

SKU: PSM-12V-360

SPECIFICATION:

Brand	Uranus
Power	360W
Input Voltage	175-264V AC
Output Voltage	12V DC
IP Rating	IP20
Warranty	No Warranty

Categories: [Power Transformers](#)

High quality Power Supply converter from AC to DC with inbuilt safety protection and a cooling fan.

- LED Power Supply converts AC voltage to 12V DC. Input AC175-264V.
- Automatic Protection for Short Circuit, Over load and Over Voltage.
- Metal Housing with holes for Heat Dissipation.
- Non-Waterproof IP20 Perfect for indoor use only.

PRODUCT DATASHEET

Application: Recommended for indoor areas with 12V DC LED strip lighting, CCTV Cameras, and Modules in both Commercial and Residential spaces.
