

PRODUCT DATASHEET

URANUS 200W H/DUTY LED FLOOD LIGHT 6000K, 100LM/W, IP66, PF0.9, 85-265V AC WITH SURGE PROTECTION

SKU: FLD-200C6

SPECIFICATION:

Brand	Uranus
Power	200W
Colour Temperature	6000-6500K
Input Voltage	85-265V with Surge Protection
Lumen	90-100lm/w
IP Rating	IP 66
Beam Angle	120 degree
Body Type	Aluminium
Warranty	2 Years

Categories: [Led Flood Light](#)

These multi-purpose, broad beam heavy duty Led flood lights provide high brightness and an energy-efficient lighting solution in a variety of applications.

URANUS 200W H/Duty Led Flood light 6000K, 100lm/w, IP66, PF0.9, 85-265V AC with Surge Protection
