

PRODUCT DATASHEET

URANUS SOLID STATE RELAY, LOAD 50A, CONTROL 80-280V AC, WITH CLEAR COVER

SKU: SWC-RLY-50A

SPECIFICATION:

Brand	Uranus
Input Voltage	80-280V AC
Warranty	1 Year

Categories: [Electrical Accessories](#)

These are electronic switching devices used to switch on-off power for heavy loads using a secondary low current switch such as timers, motion sensors and photocells.

- It has no moving parts which wear out enabling it to last long.
- Protects appliance from transients because they have zero voltage turn on-offs.
- Instant switching with no delays.

Application - Room heaters, water heaters, lights and signage.
